About The Best Lawyers in America®

Best Lawyers® is the oldest and most respected peer-review publication in the legal profession, providing trusted recognition of top legal professionals for more than 40 years. Its rigorous, purely peer-review process is highly selective – only 5% of U.S. lawyers and 3% globally earn this distinction, with more than 13 million confidential evaluations submitted annually and bias-filtering measures that ensure integrity and fairness. The recognition is respected by lawyers, firms, and clients worldwide as the standard for merit-based legal distinction.
