

\$735,000 Settlement for Motor Vehicle Accident Settlement in Lyndhurst, NJ

A woman injured in a motor vehicle crash will receive \$735,000 as compensation in her Bergen County personal injury suit. The parties reached an agreement during a settlement conference in Bergen County with Judge Lisa Perez-Friscia. The plaintiff's attorney was Alex Capozzi from Brach Eichler LLC in Roseland.

The plaintiff brought a personal injury claim against the defendant for negligence. The defendant agreed to pay \$735,000 in damages.

On March 26, 2015, the plaintiff was operating a motor vehicle on Ridge Road in Lyndhurst when the defendant's vehicle made an illegal u-turn, causing a collision with the plaintiff's vehicle.

As a result of the accident, the plaintiff sustained a concussion and an aggravation of a pre-existing cervical and lumbar condition. A cervical MRI revealed that a pre-existing herniated disc increased in size from a prior cervical MRI taken in 2013. As a result, the plaintiff was required to undergo an anterior cervical discectomy and fusion. An MRI of the brain using Diffusion Tensor Imaging (DTI) also revealed that the plaintiff sustained a mild traumatic brain injury.
