#### 5/1/2025

Assembly Bill 5419, introduced in the New Jersey Assembly on March 6, 2025, would prohibit health care professionals from providing gender-affirming health care services to persons under 21 years of age. Prohibited gender-affirming health care services would include all supplies, care, and services of a medical, surgical, therapeutic, diagnostic, preventative, rehabilitative, or supportive nature, including medication, relating to the treatment of gender dysphoria and gender incongruence. However, supplies, care, and services of a behavioral health, mental health, or psychiatric nature would be excluded from the scope of the Bill.
