

Brach Eichler Collects 693 Bags in Annual IFPO Thanksgiving Food Drive

11/21/2025

“Thanksgiving is about more than sharing a meal with our own families — it’s about making sure our neighbors don’t go without one. At Brach Eichler, we are proud to support The Interfaith Food Pantry of the Oranges who work on the front lines of food insecurity. Donating food is a small gesture compared to the dignity and hope it provides to families during the holiday season, and our firm is honored to do its part.”
