Brach Eichler LLC, a full-service law firm based in Roseland, New Jersey, is proud to announce that the 2026 edition of the [Chambers High Net Worth Guide](#) has ranked the firm's [Trusts and Estates](#) practice in Band 2 in the category of Private Wealth Law in New Jersey, an elevation from the practice group's Band 3 ranking last year. Chambers High Net Worth identifies and ranks the leading law firms, lawyers, and professional advisers serving private wealth clients around the world, and this year's move up a band reflects the sustained growth and impact of the department's work.

The advancement comes alongside continued individual recognition for Executive Committee Member and Co-Chair of the firm's Trusts and Estates practice, [Susan K. Dromsky-Reed](#), who has once again been ranked in Band 3 among New Jersey's leading private wealth practitioners, reinforcing her role as one of the driving forces behind the group's rise.

"Every year, Chambers raises the bar for what it means to be a leader in this field, so an upgrade to Band 2 means a great deal to all of us," said Susan Dromsky-Reed. "I'm especially proud of how our team has grown its capabilities while staying focused on what matters most, helping families and business owners protect what they've built for the next generation."

"We are very pleased with Susan's recognition and proud of our move up to Band 2 this year, as it reflects the trust our clients place in us with some of their most important life decisions," said [Stuart M. Gladstone](#), Member and Co-Chair, Trusts and Estates. "We've always believed that thoughtful, creative, and personalized planning is what sets great trusts and estates work apart."

This year's move to Band 2 caps years of recognition for the group's exceptional results and innovative, personalized strategies for protecting and preserving client wealth, and reflects the firm's ongoing commitment to delivering best-in-class private wealth counsel to clients across New Jersey and beyond.

Published annually by Chambers and Partners, the *High Net Worth Guide* is based on in-depth interviews by its researchers and ranks the leading lawyers and firms in an extensive range of practice areas throughout the country. **No aspect of this advertisement has been approved by the Supreme Court of New Jersey.*
