

NJHMR Session Spotlight: The Current Regulatory and Business Environment Surrounding ASCs

BRACH | EICHLER^{LLC}
NJHMR
HEALTHCARE MARKET REVIEW
SEPTEMBER 28-29, 2023

SESSION HIGHLIGHT

The Current Regulatory and Business Environment Surrounding ASCs

This panel will address current regulatory and operational issues impacting physician-owned ambulatory surgery centers in New Jersey. Topics will include, without limitation, issues arising in the DOH survey process, reportable events, staffing and supply chain issues, arrangements with anesthesiologists, and exceptions from licensure.
