We're honored to receive the Outstanding Service Award at The Center for Great Expectations – Hope Lives Here 2022 Annual Gala on 10/14/2022. A special thank you to Anthony Rainone for his hard work and dedication to this wonderful organization.

About The Center for Great Expectations:

CGE now serves over 1000 women, men, and children on an annual basis. Many of these individuals are homeless or economically marginalized, pregnant or parenting or living with mental health or substance use disorders. In our continued growth and development, we have remained steadfast in our commitment to provide dignified and comprehensive care in an effort to break the generational cycle of abuse, homelessness and substance use.
