

[Webcast] 2022 PIP No Fault College

A comprehensive seminar on PIP/No Fault insurance presented by the leaders in the field.

No fault insurance/PIP recovery is a specialized and often confusing area of law. Are you achieving the optimum settlement for your clients? If you represent clients involved in accidents or other potential no-fault cases, it is essential that you understand the latest developments in order to achieve the best results.

The 2022 PIP/No Fault College provides you with a unique opportunity to explore some of the latest developments in handling a PIP/No Fault claim. For 2022, in addition to the annual case law review and the rules and legislative updates, the program will delve into the latest strategies you can put to work right away in your practice. By the end, you'll have a well-rounded, comprehensive understanding of the latest PIP/No fault insurance issues you're likely to confront as we go into 2023.
