

You're Invited: Construction Roundtable Panel Discussion

With the unprecedented challenges of 2020 and 2021 due to supply chain issues, staffing shortages, and bankruptcy fears what can be learned from the past and what can be expected in the future? Join us as our panelists discuss lessons learned from recent trends and stories of reinvention from four players in the construction industry.

Moderated by **Rose Suriano**, Member, Brach Eichler – our panel of industry leaders will discuss the following:

- Minimizing the impact of cost increases and delays from supply chain issues
- Adjusting to a growing need for laborers and price increases
- Tax credits for builders
- Infrastructure Planning Bill
- Lessons from Hollister & Katera
- Bonds and certificates of insurance
- Escalation clauses
