**Alex Capozzi is a certified civil trial attorney at Brach Eichler.** He has extensive experience litigating catastrophic injury and wrongful death claims in both New York and New Jersey. Alex has personally obtained several multi-million dollar jury verdicts on behalf of injured victims and he is believed to be one of the youngest attorneys in history to obtain a multi-million dollar jury verdict at trial. Given his experience, education, knowledge, and skill in civil trial practice, he has been designated as a certified civil trial attorney, a distinction achieved by less than 2% of attorneys in the United States. Outside of the office, Alex is a board member of several organizations dedicated to protecting ordinary families, workers, and consumers by fighting to preserve and strengthen the laws governing product safety, safe workplaces, and quality healthcare.
