

Cannabis Industry Practice

Looking forward to legal, recreational cannabis in New Jersey? We are ready.

While we wait for the state to pass legislation to facilitate a legal, regulated cannabis marketplace, let's talk. We are Brach Eichler, one of the pioneers of cannabis law in the state of New Jersey. And with a multidisciplinary team consisting of attorneys in health law, real estate, land use, corporate transactions, labor and employment and more, we can help you secure a foothold in the market as it evolves.

The future of cannabis in New Jersey is complex and will require a long-term investment. State legislation is just beginning to take shape and is expected to rapidly change how companies will operate. Businesses and individuals hoping to participate in the cannabis market face a very difficult journey from a legal and regulatory standpoint.

Brach Eichler's Cannabis Industry Practice provides a wide variety of services, including:

- Counseling clients on their participation in the cannabis industry as new legislation begins to emerge;
- Providing insight and advice for the multitude of legal and regulatory complexities;
- Giving clients a strong advantage through access to a coordinated team of subject matter experts;
- Identifying new windows of opportunity within the cannabis marketplace; and
- Helping to navigate clients toward their visions of success in this industry.

If you'd like to learn more about how Brach Eichler can position you for prosperity in New Jersey's cannabis industry, please call our Cannabis Industry Practice Co-Chairs: John Fanburg at 973-403-3107 or Charles Gormally at 973-403-3111.
