The PROCESS

The Awards Committee will review each nomination form to ensure it meets the qualifications and eligibility based on the criteria outlined and to select the finalists, using a rubric scoring system.

Submitting a nomination form does not guarantee a nominee will receive the award. The committee will be made up of a diverse group of community leaders, who will then review the nominations and select the award honorees. Depending on nominees, not all awards may be given out each year. All nominees will be recognized.
