Notice of Waiver--Renewal of Health Care Service Firm Registration

Take notice that the Division of Consumer Affairs (Division) is waiving certain regulatory provisions that require health care service firms to renew their registration by July 1, 2026.

N.J.A.C. 13:45B-13.5A, adopted June 2, 2025, requires health care service firms to submit specific financial documentation, including financial statements, audits, or reports, in order to renew their registration. Many health care service firms have indicated that it will be burdensome to submit this information by the July 1, 2026 renewal date established at N.J.A.C. 13:45B-7.2 and 13.5, and they would, therefore, be unable to renew their registration.

In order to provide health care service firms additional time to provide the required financial documentation, the Division is waiving, pursuant to N.J.A.C. 13:45C-2.3(c), the provisions at N.J.A.C. 13:45B-7.2 and 13.5 that require health care service firms to renew registration on or prior to July 1, 2026. Pursuant to this waiver, registrations shall be renewed on or prior to October 1, 2026. A health care service firm that fails to renew their registration by October 1, 2026, shall be deemed as no longer registered.
